Imagine a Middle Peninsula without...

- Community College
- Public sewers
- Quality housing
- Hospitals
- Paved roads, bridges and airports
- Public schools
- Safe and sanitary septic systems
- Solid Waste Disposal
- Fertile Agricultural Fields
- Pristine Dragon Run

Uncompromising Leadership:

- **1963 MPRC Visionaries:**

- ❖ Gene Paulette, Robert Taylor, Horace Norton, James Barnard Jr, Granville Kipps, Lewis Richardson, and William Bareford ...

- **1972 MPPDC Visionaries:**

- ❖ Eugene Campbell- 1st MPPDC Chairman, B.D. Fowler, W.D. Edwards, H.W. Ferguson, Aubrey Callis, J.A. Robbins, HL Chandler, W.E Belvin, Dolores Hargis, James Evans, Jack Andrews, Everett Rich, F.L. Garrett, and Rodger Norman ...

- **2011 MPPDC Visionaries:**

- ❖ **YOU**

1960's Commissioner Concerns

- Economic Development Needs
- Tourism Needs
- Vocational Training Needs
- Public Access Needs
- Labor Study Needs
- Dredging and Oyster Bottom Leasing Concerns

1960's- Major Accomplishments

- Planning for Public Sewer
- Establishing a Community College
- Establishment of the Bank of Middlesex

1970's Commissioner Concerns

- Water Quality Management Plan to access funding for sewer improvements
- Need for Regional Hospital and Library
- Failing Septic Systems and Water Quality
- Regional Winterization Program (Precursor to Bay Aging)
- Regional Solid Waste Designation (Precursor to VPPSA)

1970's Major MPPDC Accomplishments

- Initiated Study for locating regional hospital
- Water Quality Management Plans - Local sewer funds depend on its completion
- Developed localities personnel policies (grievance procedure, salary classification, salary scale)

1970's Major MPPDC Accomplishments

- Developed Middle Peninsula local Sedimentation and Erosion Programs
- Requested State Water Control Board studied ground water problems
- Developed Regional and local Land use Plan, draft zoning maps, draft comp plans
- \$1.7 Million for Essex County Elementary school

1980's Commissioner Concerns

- Inter Basin Water Transfer concerns
- Septic Maintenance Concerns
- Rt 17 Bypass Saluda
- Preservation of Dragon Run
- Enhanced 911 and Regional Dispatch
- Solid Waste Handling and Hazardous waste disposal
- York River Crossing
- Small Business Assistance

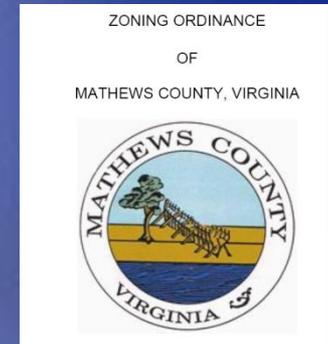

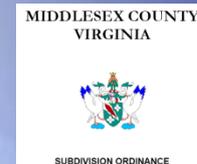

Alternative 5

1980's Major MPPDC Accomplishments

- Comp Plans, Zoning Ordinances Completed: Gloucester, Mathews, Essex, Middlesex, King and , King William, Urbanna, Tappahannock, West Point
- Mathews County Drainage Project
- ~ \$1,750,000 CDBG Housing Projects: Essex, Mathews, Gloucester, King and Queen, Tappahannock

ZONING ORDINANCE
Town of Tappahannock, Virginia

1980's Major Accomplishments

- Towns join MPPDC
- Planning Commissioner Scholarship Fund Established
- Regional reappraisal study
- Achieve representation Eastern VA Health Systems
- State Request: CDBG Regional Priorities Established
- Chesapeake Bay Preservation Act- PDC assistance to all MP localities

Comprehensive Plan Elements (Bay Act Requirements - partial list)

Phase I: Description and mapping of Chesapeake Bay Preservation Areas and adoption of management program in local ordinances:

- Resource Protection Area
- Resource Management Area

1990's Commissioner Concerns

- Solid Waste Plans
- Fiscal Impact of Federal Tax Policy Change
- Growth Management
- Mandates, State Aide, Solid Waste
- King and Queen and Gloucester Land Fills
- Enhance Tourism and Marketing of MP
- HRSD and Middle Peninsula Service
- Tributary Strategies and Bay Act
- Comprehensive Services Act

1999 ANNUAL REPORT
ON THE DEVELOPMENT AND IMPLEMENTATION
OF NUTRIENT REDUCTION STRATEGIES
FOR VIRGINIA'S TRIBUTARIES TO THE
CHESAPEAKE BAY

1999 Report of
The Secretary of Natural Resources

1990's Major Accomplishments

- Chesapeake Bay Preservation Act Compliance for MP Localities
- Assisted with creation to Tidewater RC&D
- Wetland Delineation Training
- GIS Assistance to all MP localities

The Bay Act

The Chesapeake Bay Preservation Act, commonly known as "The Bay Act" in Virginia, was adopted by the Virginia General Assembly in 1988.

An Official Copy of the Act can be found at:

[The Code of Virginia Web Site - Chesapeake Bay Preservation Act](#)

The following is a copy of the "**Chesapeake Bay Preservation Act**", adopted by the General Assembly in 1988. If you know the particular section you are interested in, you may click on the section number below and go directly to that section. This is not the official copy. For the official copy, please use the link above or call the Department at 1-800-CHESBAY.

1990's Major Accomplishments

- Established new Mathews Park and Ride Lots
- Established Disability Service Board
- Colman and Hoskins Bridge Traffic Management and Coordination
- Onsite Revolving loan program established

Onsite Repair Program

 Written by MPPDC

The MPPDC Revolving Loan and Grant Program

2000's Commissioner Concerns

- Regional Reassessment
- Tributary Strategies, Total Maximum Load, Chesapeake Bay Watershed Implementation Plan
- Special Needs Sheltering- post Hurricane Isabel
- Coleman Bridge Tolls
- Broadband and wireless services
- Use Conflict and Shallow Water Dredging
- Commercial Seafood and Working Waterfronts
- Groundwater Management Area

Regional Reassessment Options
For
The Virginia Middle Peninsula

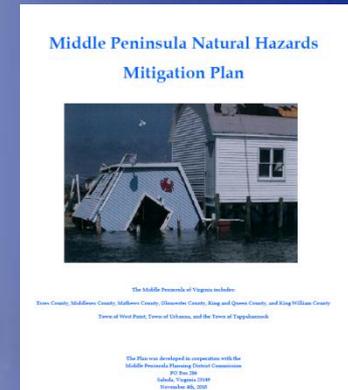

Final Report of the Feasibility Study

Prepared for
The Middle Peninsula Planning District Commission

By
Knight Dorin & Rountrey, Inc.

2000's Major Accomplishments

- Mandates attended to: Natural Hazard Plan, Water Supply Plans, Flood Mitigation Plan, All Hazard Plan, Disability Service Board
- Creation of MP Chesapeake Bay Public Access Authority
- Virginias River Country
- Septic Repair and Septic Pump Out Programs expanded
- York River Use Conflict- Marine Spatial Planning

Local Government Administrators Meetings

- 2001- Bay Act, Reassessment, Regional Airport, Enhancement
- 2002- Bay Act, HRSD Establishment, Local budgets
- 2003- State Park, HRSD Rates, reassessment, local budgets
- 2004- Tributary Strategies, General Assembly Bills, Local budget

Local Government Administrators Meetings

- 2005- Tributary Strategies, Hazard Planning, HRSD Nutrient limits,
- 2006- Special Needs Sheltering, Local Probation, Reassessment, Water Use Conflict
- 2007- Auto Decals, Personal Property, Tax relief, Broadband
- 2008- Local budgets, General Assembly, Water Supply Plan,

- 2009- Local Budgets, Airport Financing, Broadband, Water supply planning, tax base issues
- 2010- Local Budgets, On Site repair and land use issues, Chesapeake Bay WIP, Broadband
- 2011- General Assembly, CDBG, VRS, Onsite Septic enforcement, CEDS and Chesapeake Bay WIP

Operational Successes 1974-2012

- Locality MPPDC dues \$1,767,089.00
 - Total direct grants to MPPDC \$14,857,793.00
 - Local leverage \$8.41
-
- DOES NOT INCLUDE MILLIONS OF GRANT DOLLARS OBTAINED ON BELALF OF MIDDLE PENINSULA LOCAL GOVERNMENTS (MPPDC prepares application only)

Water Supply Planning Functional Consolidation Successes Story

- **Local Model**
 - Time Period 5 Years
 - 8 jurisdictions
 - 8 staff positions x 60 months
 - 8 Consultants X 60 months
 - None to very limited DEQ Funding
- **MPPDC Model**
 - Time Period 5 Years
 - 8 jurisdictions
 - 1 staff positions x 60 months
 - 1 Consultant x 60 Months
 - Access to DEQ Grant funds for Regional Approach

Most Notable Community Improvement Projects

- **Housing Rehab: Desha, Battery, Mt Olive, Indian Road**– repaired hundreds of homes across region
- Dragon Run Protection- standardized land use planning tools, protection of 1,000 acres land
- **Onsite Revolving Loan- repaired 77 failed septic systems and pumped 858 systems**
- Regional Airports
- **West Point, Hoskins Creek, Colman Bridge**
- Public Access Authority and Shallow Water Dredging

Community Assistance (Last 24 Months)

Use of MPPDC Board Room by 63 different entities

- Community Groups
- NGOs
- Political Subdivisions
- Social Groups
- State Agency Departments
- Local businesses
- State Universities and Colleges
- Public Safety officials
- Federal, State, and local elected officials etc
